MASTERED

EVERY BRIDE IS UNIQUE, SO ARE THEIR DESIRES AND EXPECTATIONS

My goal as an artist is to listen carefully to what my clients want and create a look that bring out their individual beauty.

I specialize in a warm, natural look using a palette of colors, textures and pigments that complement your unique personality and complexion and will harmoniously meld with the dress, accessories, hairstyle, and mood of the event.

Using only the highest quality professional products, I work to accentuate your most beautiful features.

MY JOB IS TO ACHIEVE THE LOOK YOU HAVE ALWAYS DREAMED OF

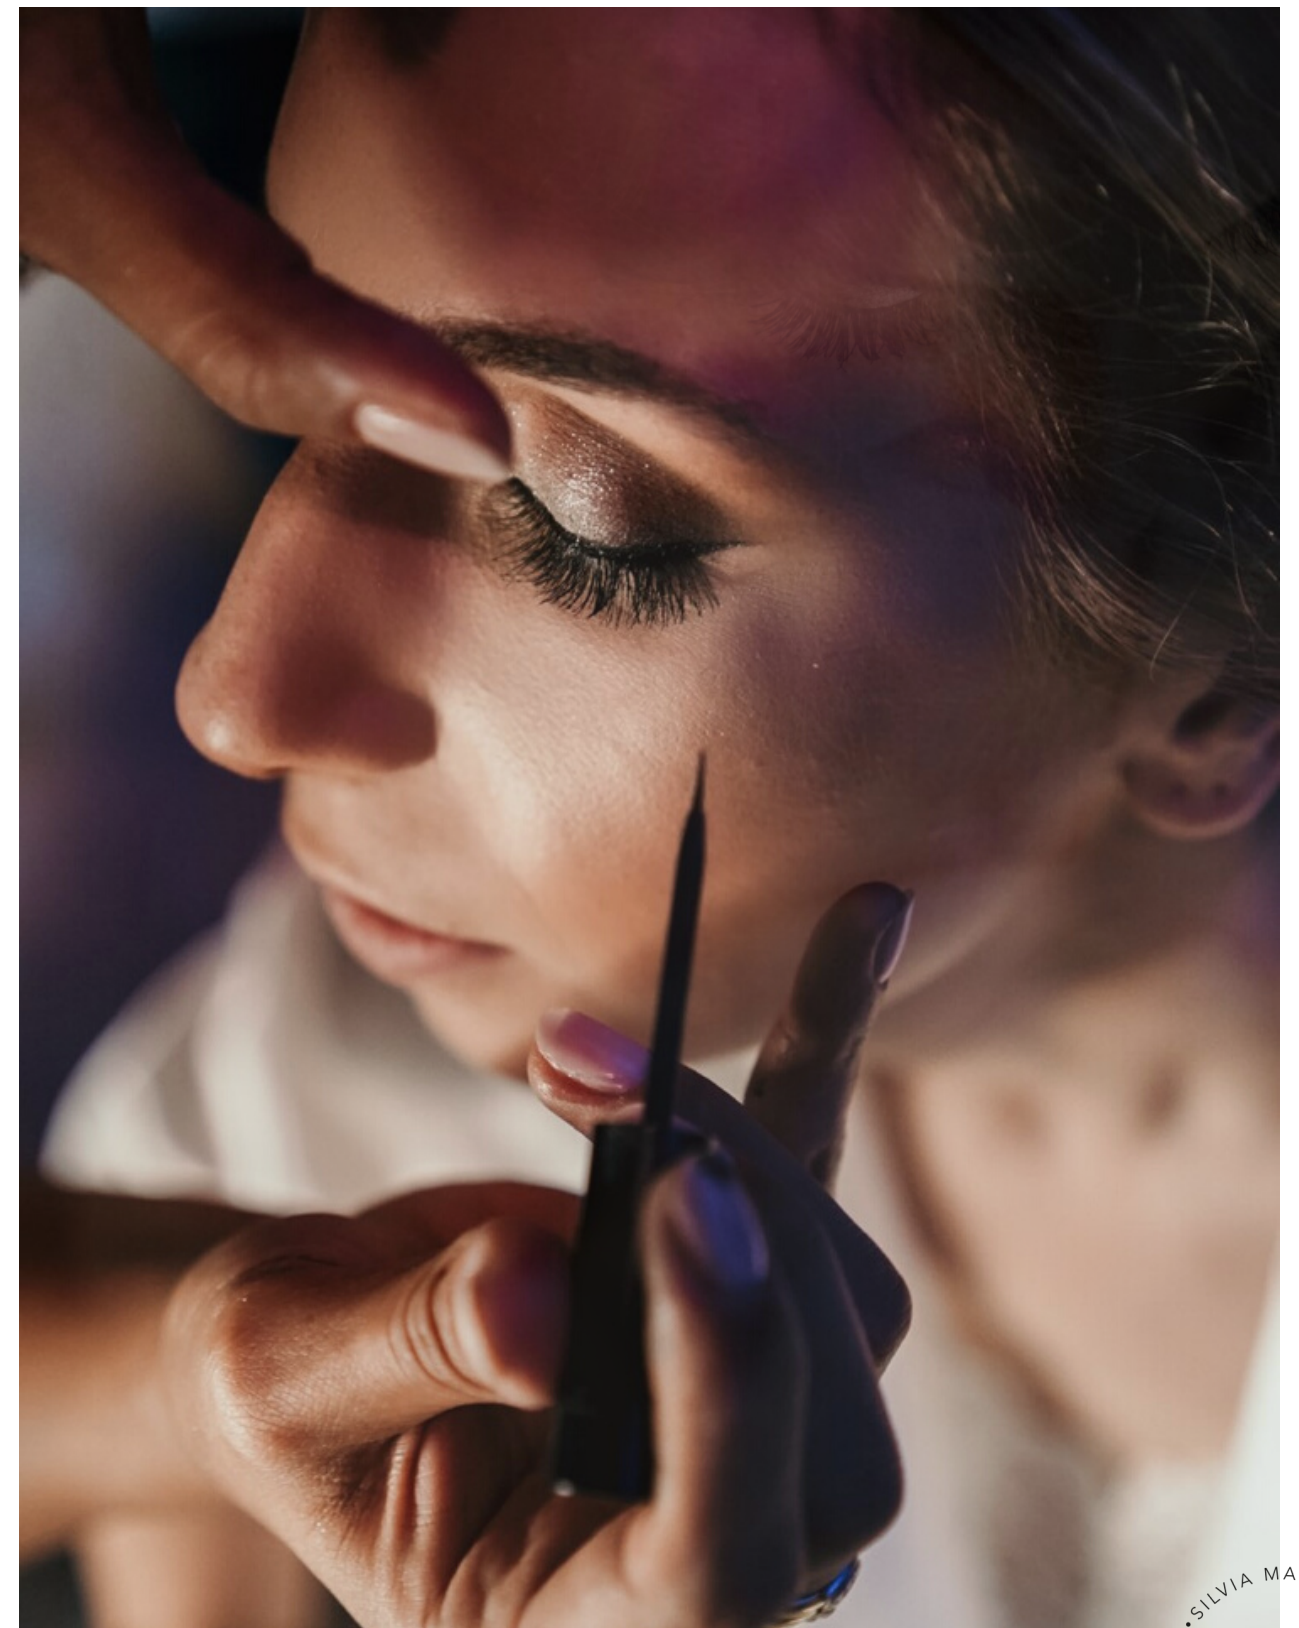

Beauty can be such a personal thing, so I offer consultations before the wedding day. I want you to feel happy and radiant. I welcome and value your input.

Make-up trials are also an option if you are interested in testing out your look beforehand.

Make-up services are provided for bridal clients as well as bridesmaids, flower girls, maid of honor, and mother of the bride.

I work only with high quality, luxury products.

Along with make-up application, the service includes: Color Analysis, Skin Consultation, Skin Preparation, False Lashes Application.

YOUR BRIDAL TRIAL

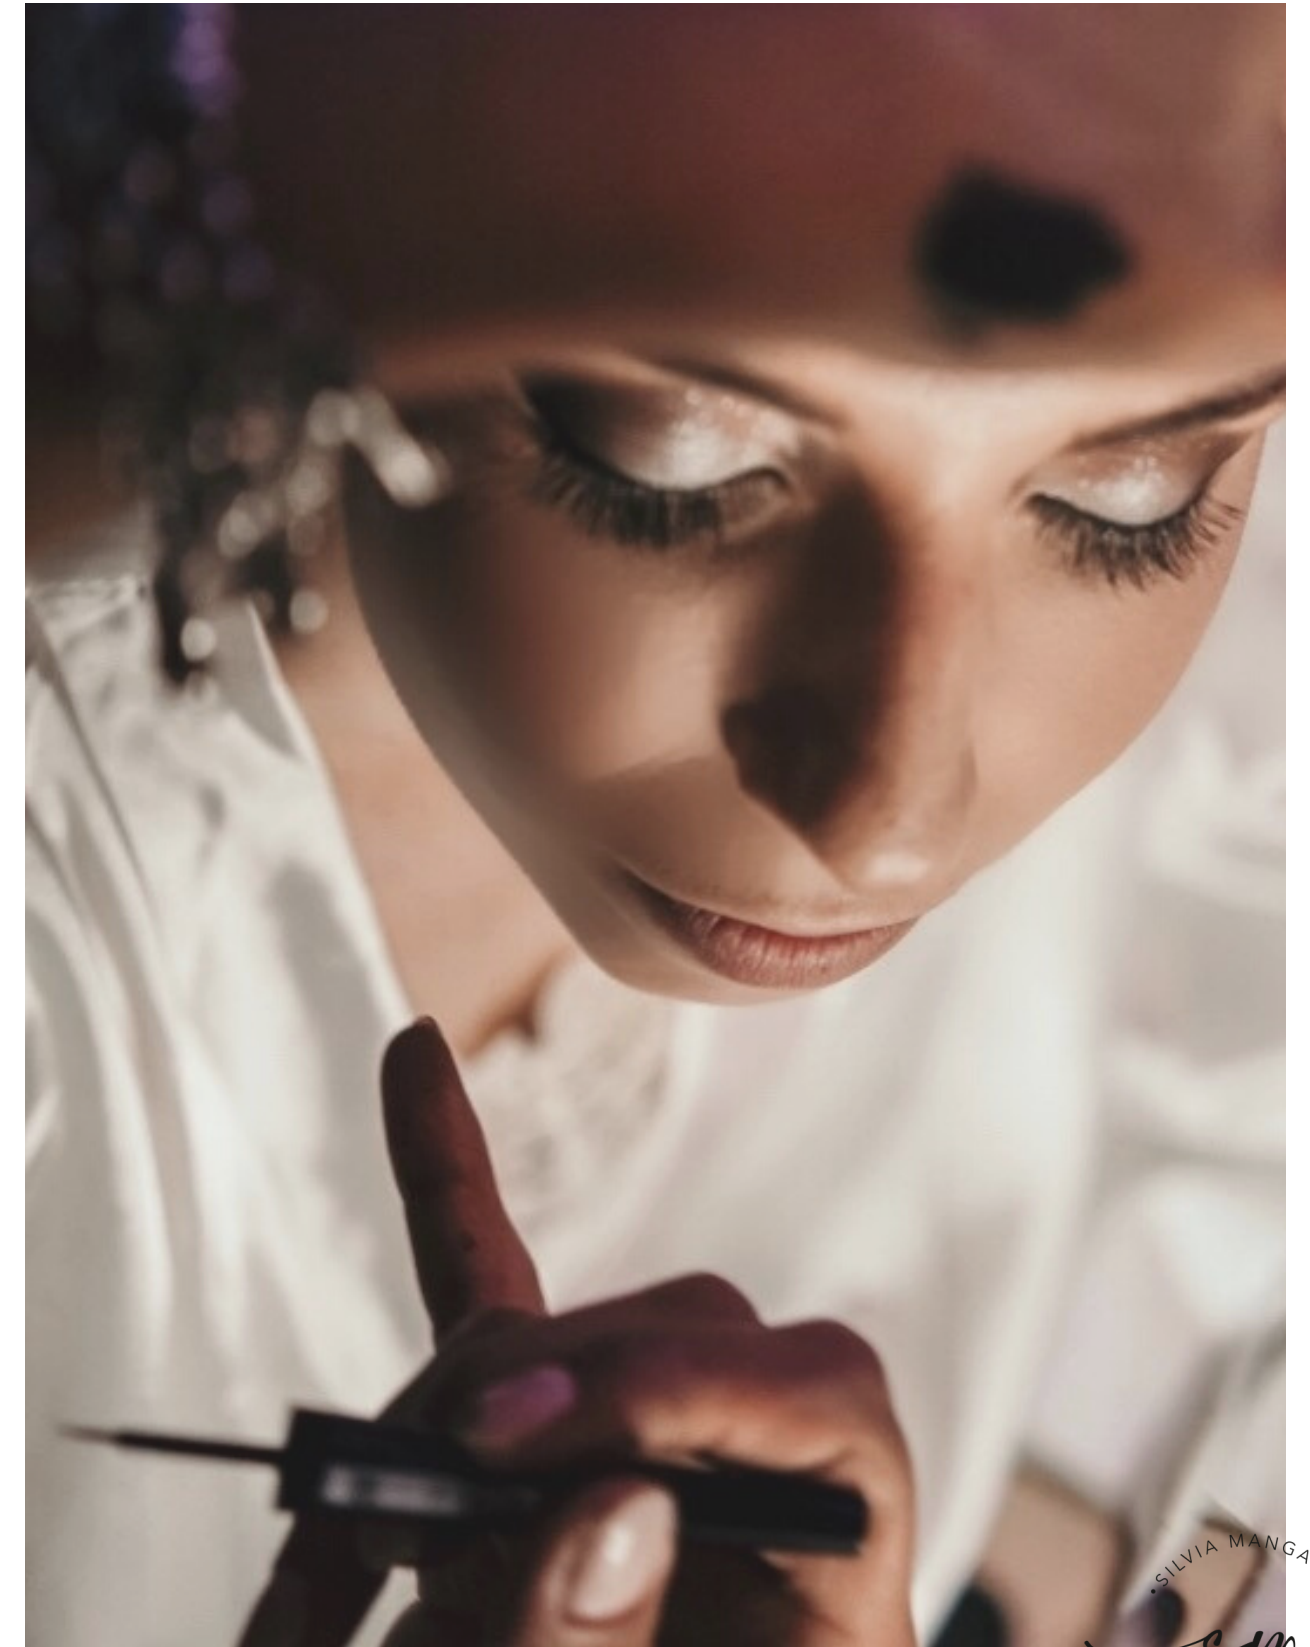

A trial is an opportunity to discuss everything from how to match the style of your dress, color scheme and the look you wish to create.

We'll go into your ideas and what you love. You can show me looks from Instagram or Pinterest you like and I'll adapt them to work for you on your big day.

A bridal trial usually lasts between 1.5 to 2 hours, at the end we will have established "The look" for Your big day, which I'll document with photos and video.

Sometimes it can be difficult to have a trial beforehand - especially for brides who live abroad – which is why I offer video trial calls, so we can get to know each other and discuss your look, not matter how busy you are and where you are in the world!

While trials are usually only for the bride, they can be also organized for the other members of the bridal party upon request.

YOUR WEDDING DAY

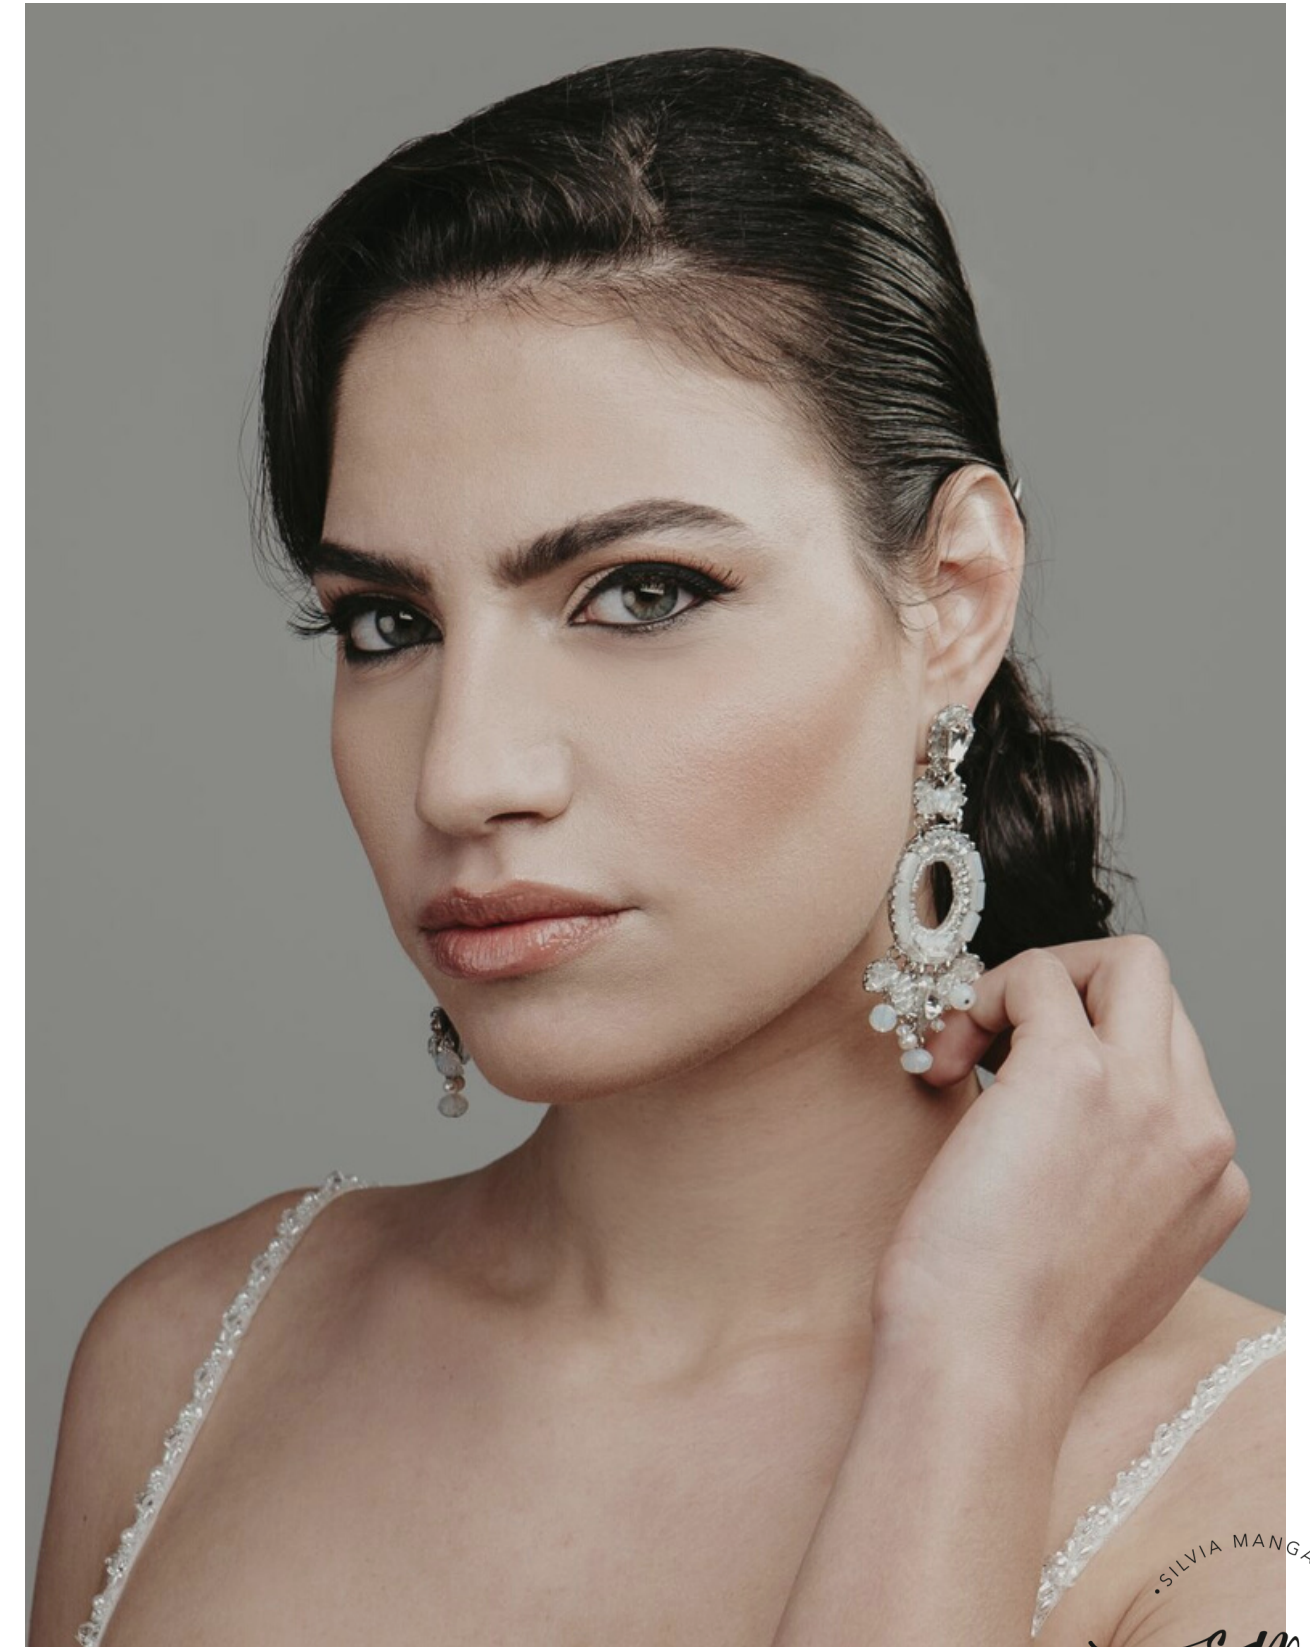

It's no secret that the big day can be stressful for the bride. And that's why I aim to create a relaxed environment that helps you enjoy your time while getting ready.

From the very moment you confirm your booking, I will help you work out your bridal beauty prep schedule, so that on the day you can rest assured I will be exactly when and where you need me.

Along with make-up application, the service includes: Color Analysis, Skin Consultation, Skin Preparation, False Lashes Application.

Your bridal makeup will take approximately 1 to 1.5 hours depending on how glam of a look we've decided to go for.

Before I leave, I'll leave you with a little touch up kit and tips on how to keep you looking radiant throughout the day into the evening.
