ABOUT US

Defingou Events is successfully responsible for the artistic organization, management and supervision of events and themed happenings.

Our goal is to innovate and meet our customers' demands for every occasion.

During our collaborations, both in Greece and abroad, we presented unique shows with choreographies, fire-shows, special make-up effects, avant-garde costumes and we always welcome new challenges and ideas.

SERVICES

We specialize in unique and creative happenings, special acts, shows and custom made costumes for every occasion.

Our services are characterized by limitless imagination and include choreographed projects as well as breathtaking shows. We can also provide warm and memorable welcoming and hosting for your guests.
