More about Us

RELAIS LA CORTE DEI PAPI IS AN ANCIENT MANOR HOUSE, DATING BACK TO THE 1600S THAT HAS ALWAYS BELONGED TO THE PAPI FAMILY AND HAS BEEN PASSED DOWN THROUGH EIGHT GENERATIONS

This stunning Manor house has been renovated with love and utmost respect for its ancient structure, allowing total recovery of the original feature and elements, while preserving the soul of its history and origins..

An oasis of tranquility and peace for couples who are looking for the most authentic of traditions for their Special Day and wish to be conquered by the unique flavors of good Tuscan food and pampered by the luxurious comfort of a refined "Historical Residence" in the Tuscan countryside for their guests and their wedding festivities.

The areas of the Villa..

INDOOR RESTAURANT

The indoor restaurant is located in what was traditionally the cellar of the residence. A romantic area with characterful stone walls, a timber roof and terracotta floor tiles, a truly welcoming area in both Winter and Summer.

A lavish buffet breakfast is freshly prepared with a variety of sumptuous sweet and savoury options, all served in this zone.

We are additionally able to offer this area for the buffet lunch or dinners during the wedding celebrations.

OUTDOOR RESTAURANT

During the Summer the restaurant relocates close to the swimming pool, situated in the large garden with its many flowers and pine trees. Located on the edge of our pool, the restaurant is set up with an elegant wrought iron gazebo and travertine tables, surrounded by our flower gardens and will enchant with the beautiful view of the swimming pool and our Tuscan countryside.
