Love Supreme!

FULL PLANNING AND DESIGN

Our experience in organizing weddings enables us to make your dreams a reality. Statistics show that your wedding will take you 240 hours to plan. That means that if you work on your wedding for three hours every day, it will take you 80 days.

As well as planning and organisation, consultation is an important factor, especially when you're not sure exactly what you want or what you can actually get. We'll introduce you to all the options available, give you advice, explore ideas with you, and, based on your preferences, we'll suggest ideas that suit you perfectly.

This service is for the couple who wants us to take them through the entire wedding-planning process, focus on design and decoration, hand-select a trusted team of creative and kind suppliers, provide unlimited professional advice and manage every detail of the wedding process. On your wedding day, our team will manage the entire event from start to finish, making sure everyone is in the right place at the right time and that all your plans go perfectly. We are your details designer, strategy-maker, loyal negotiator, etiquette advisor and supportive confidante throughout your planning journey.

So that you can focus on marrying the love of your life :)

Oh, Happy day!

WEDDING COORDINATION

Be free to celebrate your day while we manage everything behind the scenes and style your day the way you dreamed it would be. This service is for couples who have done the planning and design work themselves but are a little worried about the actual day. We'll start one month before your wedding day, taking down all the details about your wedding, including the expected timings; venue contact information and agreements; supplier details and their duties on the day; and your decoration and styling requirements. We'll then create and send you a working document that acts as a master for the preparation for your big day.

The week before your wedding, we'll contact your suppliers and do a final check on the service they are providing for you and their arrival timings and requirements, and clarify timings and instructions.

On your wedding day itself we'll play the role of fairy godmother, making sure that you and your guests are having a fabulous and memorable time.

Pretty Please!

WEDDING DESIGN

For couples who have the planning taken care of but need help to make things look beautiful, we offer assistance with everything from your overall design and concept to styling what you have envisioned for your wedding day.

We will provide floral design and styling, all the details from the ceremony to the dinner, from photo corner to sweet corner, from centrepieces to bouquets. All the details should flow together to create a holistic design, from the colour scheme, the layout of the venue, candles and other lighting, and the furniture and soft furnishings.

Decorations are an integral part of your day, let's tell your style story together, creating an event that is distinctively you.

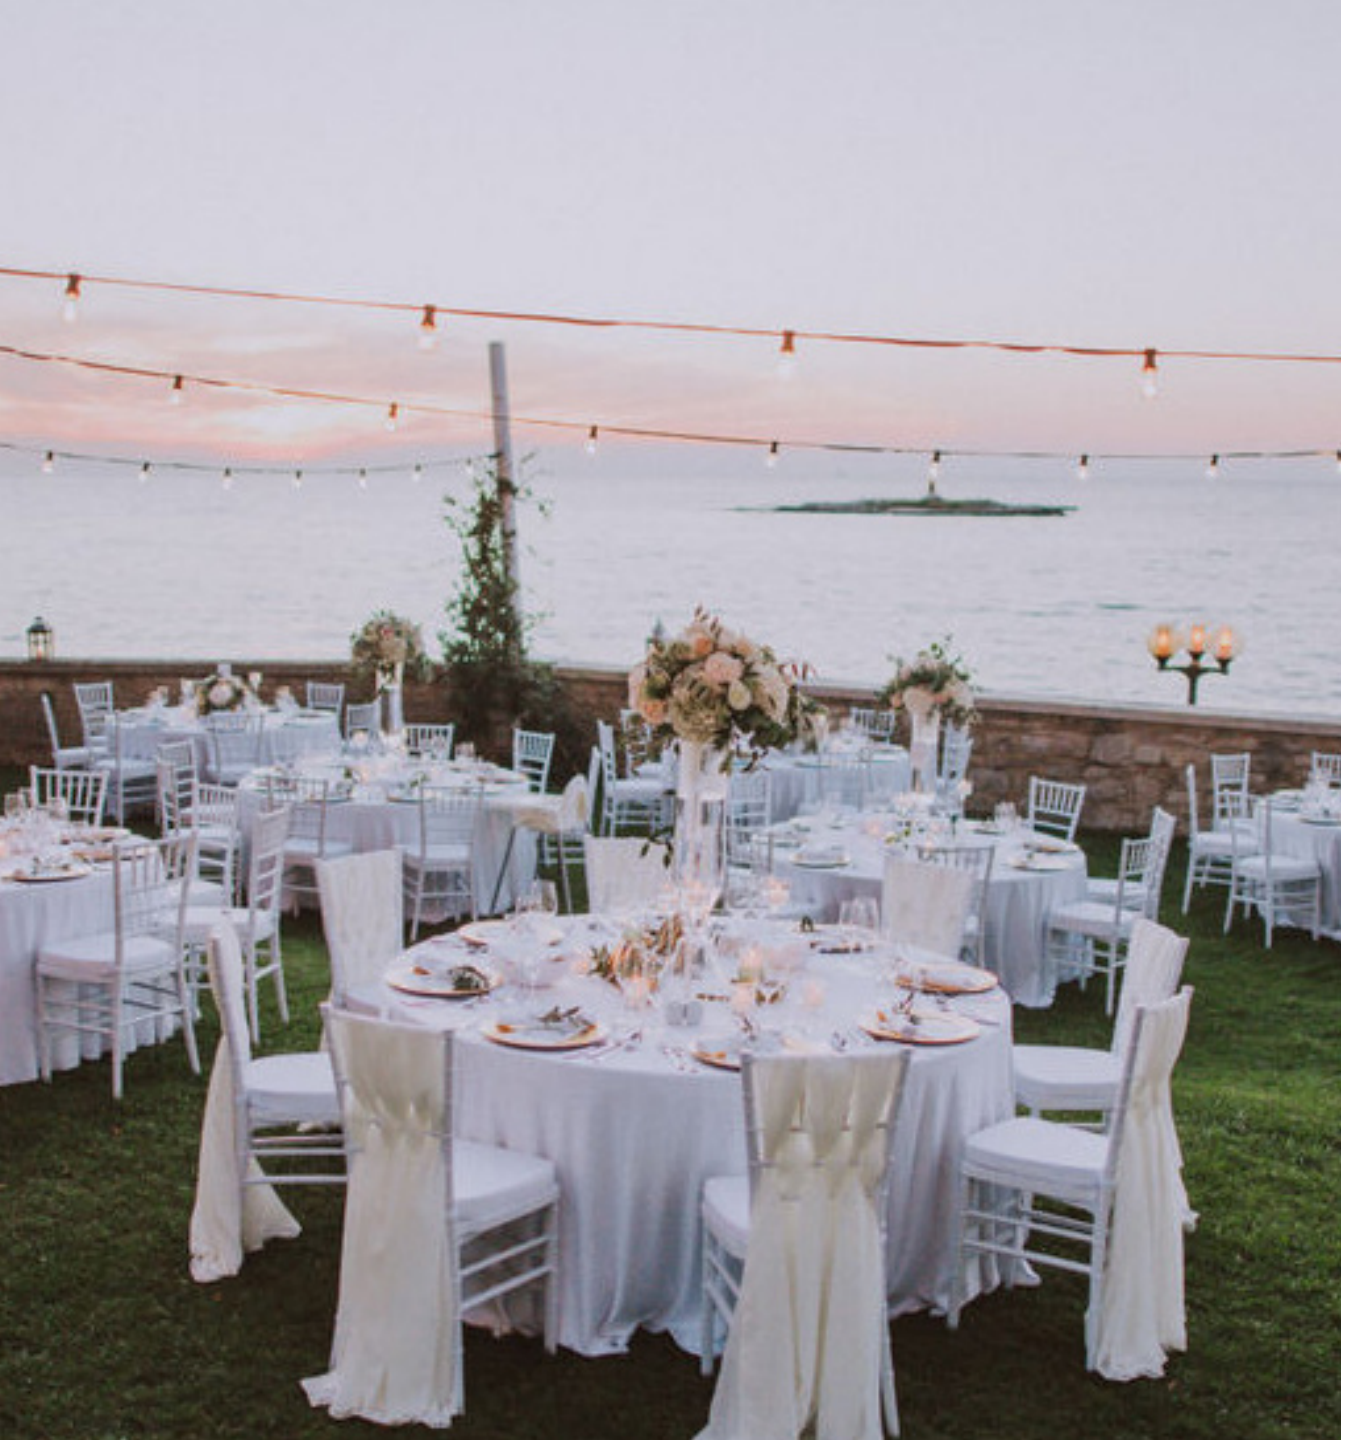
WE ARE YOUR GO-TO EXPERTS AND HERE TO GUIDE YOU THROUGH THE UPS AND DOWNS OF PLANNING A WEDDING.

IT IS OUR JOB TO TAKE CARE OF THE BORING DETAILS SO YOU DON'T HAVE TO.



Plan Out a Budget

BE OUR GUEST / OR MAYBE NOT :)

This is the biggest day of your life, so it is only normal to want to invite everyone from your college roomates to your elementary-aged besties. If you have a strict budget, decreasing your guests list size is the easiest way to cut costs.
The smaller the list, the more flexible you can be with other aspects of your spending. If your guest list is growing but your budget is not, we can help prioritize expenses while staying true to your style.

The earlier you discuss finances, the more relaxed you'll be as the wedding planning process progresses.

REMEMBER TO RELAX AND ENJOY THE DAY!

Contributing Factors

BUDGETING TIP

Tuck away 2 - 5 % of your overall budget for a just - in - case fund.
This will allow for unexpected expenses as they arise.

A TYPICAL BUDGET BREAKDOWN

Ceremony & Reception: 45 - 50 %
Wedding organization: 5 - 8 %
Legal stuff: 2 - 3 %
Attire: 8 - 10 %
Decoration & Equipment: 8 - 15 %
Entertainment / Music: 5 - 10 %
Photography / Videography: 10 - 12 %
Stationery: 2 -3 %
Wedding rings: 2 -3 %
Parking / Transports: 2 - 3 %
Gifts for friends & fam: 2 - 3 %
Additional expenses: 7 - 8 %

Of course, there will always be exceptions to every rule. If you have your eye on a venue that's slightly over your budget, challenge yourself to cook dinner or make coffee at home instead of going out to make up for the additional expenses.

SET REALISTIC EXPECTATIONS

When it comes to financing a wedding, expenses vary greatly from one couple to the next. If your wishlist includes designer names & a formal meal, plan for your budget accordingly.
