

JULIE BONENFANT

I created NOCES DU MONDE in 2006, and I always wanted to specialize in destination weddings. I am passionate about travel, the arts, cooking, ... and I love my job.

After more than 300 weddings organized, in France and abroad, I have had the opportunity to meet extraordinary couples, to experience fun adventures, to organize very beautiful weddings, to laugh, cry, run, move, replace, check, in short, I am here for you, to make your destination wedding an unforgettable and magnificent experience.

NOCES DU MONDE

I like to think that NOCES DU MONDE is an agency different from the others. It was already one of the very first wedding planning companies created in France. Then, we welcome couples from all over the world, from different cultures, religions, communities... we cultivate difference.

Our weddings are elegant, refined, but also relaxed when necessary. We work on the principle that the simpler it is, the more beautiful it is. This is why we create a moodboard for your wedding from the start, with your help. An essential common thread for thinking, calibrating and budgeting your project.

NOCES DU MONDE is based in Bordeaux, a city rich in its history, its good food, its exquisite wine, its chateaux, its savoir-faire. We cover all of New Aquitaine but also, on request, Paris.

We also organize weddings in New York, most often for French people.

SO, I'LL SEE YOU SOON!

The company

WHAT PLANNING PACKAGE DO YOU OFFER?

NOCES DU MONDE offers entirely tailor-made weddings for clients looking for quality, expertise, and elegance. We do not have a package fixed in advance but our starting price is 6000 euros. Following a joint discussion, we will establish a tailor-made quote according to your request, the number of guests, the number of days desired, the expected services...

DO YOU HELP WITH WEDDING DESIGN?

Absolutely. From the first stages of organization, I create a personalized moodboard for you which summarizes your desires, your needs, your choices of colors and style, in short, all the inspiration for your wedding. This moodboard will be sent to your wedding service providers, so that they understand the wedding in which they operate.

WHAT IS YOUR BACKGROUND / EXPERIENCE?

NOCES DU MONDE company was created by Julie Bonenfant in 2006. In 2023, we celebrated our 300th organized wedding. We are specialized in destination weddings and are committed to welcoming our clients from all over the world, with kindness and authenticity. We organize on average 15 weddings per year, to keep entire availability for our clients.

DO YOU HAVE A PREFERRED VENDOR LIST?

Yes, we have been working with excellent wedding industry professionals for years. We trust them, and they trust us. But we are constantly on the lookout to provide you with the best services, so we regularly work with new service providers and are constantly looking for new talents.

WHERE ARE YOU BASED?

We are based in Bordeaux, in the southwest of France. We organize destination weddings throughout the Nouvelle-Aquitaine region but also, and on request, in Paris and New York.

WHY CALLING NOCES DU MONDE?

The agency is specialized in destination weddings since 2006. Expert in its field, we have the pleasure of organizing beautiful weddings, both elegant and relaxed, authentic and mixed. We support our clients throughout the entire wedding planning process. We are there on the D-Day to install everything, coordinate service providers, check that everything is running smoothly. The agency can also manage the travel of your guests and the visits not to be missed. More than a wedding, it is a real experience of travel, of sharing, of life & love.

F A Q

The process

WHAT DO YOU REQUIRE IN ORDER TO BOOK YOUR SERVICES?

To formalize our working relationship, we need to receive the signed quote and contract (the French version). We provide you with the English translation so you can understand everything of course! Then we ask for a deposit of 50% of the total amount. The balance will be paid the week of the wedding, before the big day. Then, let's start organizing your wedding!

HOW MANY TIMES DO WE HAVE TO COME IN FRANCE TO PLAN OUR WEDDING?

The ideal is to come twice. Once for venue visits, once to enjoy catering tastings and do makeup and hair trials for the bride-to-be. But, of course, that's not always possible and that's ok too. We organize all your visits, planned according to your availability. Some of our clients cannot come before their wedding. So we do everything we can to make things easier for them, and we can schedule a hair and makeup trial right before the wedding. Remember, our goal is to provide you with as much relief as possible.

HOW MANY MEETINGS WILL WE HAVE?

As necessary. As much as you want. You are our priority.

WE HAVE JUST SIGNED THE CONTRACT WITH YOU, WHAT IS THE NEXT STEP?

The next step is to create your board on *Trello*, so that you can see the entire process involved. Then, I will ask you for your inspirations, colors, ideas and to create your amazing moodboard and thus give a common thread to your wedding.

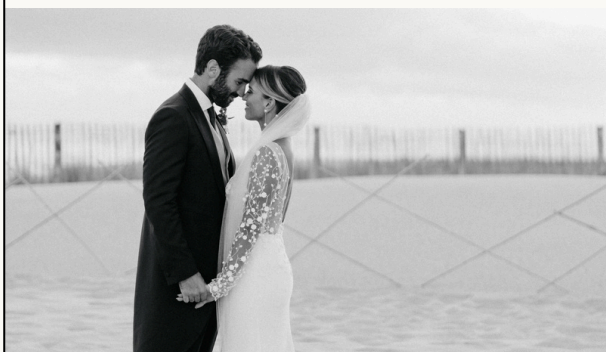

WHAT PLANNING ORGANIZATIONAL TOOLS WILL YOU PROVIDE US WHEN PLANNING THE WEDDING?

As we are specialized in destination weddings, our clients most often live abroad and therefore we have different time zones. Julie therefore works online with a project management tool called *Trello*. Every time your wedding planner works on your wedding, you will receive a notification. Of course, this does not prevent emails, WhatsApp groups, regular calls. We adapt to your schedule, so that everything is as pleasant and easy for you as possible.

WILL I STILL HAVE SOME CONTROL OVER MY WEDDING?

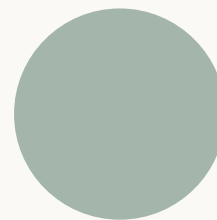

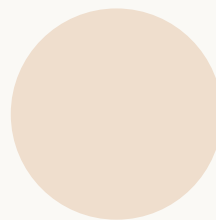

You are our inspiration. It's your wedding. So yes, you have full control of the organization. We are here to reduce the work, offer you the best service providers, negotiate for you, ensure that you do not have to worry about all the logistics... But you are the only decision-makers. Our ultimate goal is to satisfy you. To have a beautiful wedding but also, a fluid, pleasant, friendly and efficient organization.

LAURA & GUILLAUME

From France - Domaine Bantherotte , 2023

"Julie was perfect for the organization of our wedding which took place in Cap Ferret in France:
you can trust her completely !!!

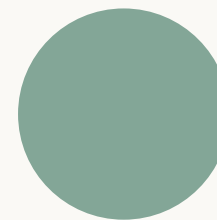

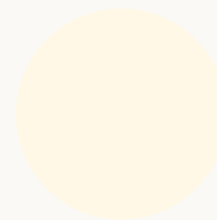

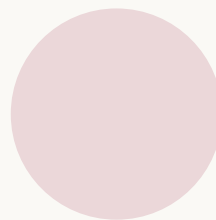

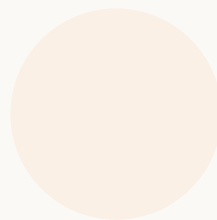

In addition to being friendly and very professional, she quickly understood our expectations and was always attentive, organized and efficient. Her network, her expertise and her taste for challenge also allowed us to experience an exceptional day as well as our guests who were able to discover the Arcachon bay by boat to get to the wedding venue from the church: a big logistical challenge that Julie once again completed perfectly !
Also, she supported us very well on the big day and made sure that we had no worries in order to enjoy this wonderful day.

In a nutshell, Julie loves her job and will do everything possible to create the wedding of your dreams ❤️"

"Absolutely amazing

If you are looking for a wedding planner to help you plan a destination wedding or a multicultural one, I would absolutely recommend Julie. I am French, my husband is British and we both live in the US. She helped us put together what was truly the best day of our life in France.

Our wedding was over several days with guests speaking multiple languages, coming from 4 different countries. It was not an easy task, especially during a pandemic but she was up to the task and not only she was amazing at her job but she is just a great human being. She is kind, humble and a great listener. Even if you have something that is very unusual but dear to your heart, she will find a way to make it a reality. Don't hesitate !"

BROOKE & MICHAEL

From Scotland - Château de Brives , 2022

"Hire Julie!!!

We worked with Julie for two years for our wedding just outside of Cognac, in the beautiful Chateau de Brives. We hired Julie in the middle of the pandemic and she was absolutely incredible from start to finish.

We put our details into a wedding website and Julie was the only planner that sent us a personalised response and that made her the one for us.

Julie was able to offer the best solutions to our problems and recommended the most incredible vendors throughout the process. She was so easy to work with and was happy for us to make our own selections as well. Travel was obviously extremely difficult in 2021, however, when we went to France and gave her 10 days notice she managed to arrange all our visits, tastings and trials. She is so personable and kind and makes you feel completely at ease. In the build up to the wedding Julie was on hand 24/7 and helped us with everything and anything. We would 100% recommend Julie if you are planning on getting married!

"We already really miss working with her!!"
