Ta Plana Nova

Weddings & Events ✨
Portocolom, Mallorca

The Finca_____

Sa Plana Nova is a typical, old and Mallorcan Finca dating from 1880. It is situated in the countryside, far from the highway and the urban area. The peaceful atmosphere is what makes it a special and unique place.

For over a century the Finca has been a farm. Agriculture and stockbreeding have been the main activities just like many Fincas in Mallorca.

Although Sa Plana Nova is currently a accommodation, the rest of the Finca is very well conserved and the remaining land is covered in areas used for cereal and livestock farming.

Main House

The house has several rooms. Each one with a personal style.
Mix the original essence of an old Mallorcan house with comfort and elegance is our priority.

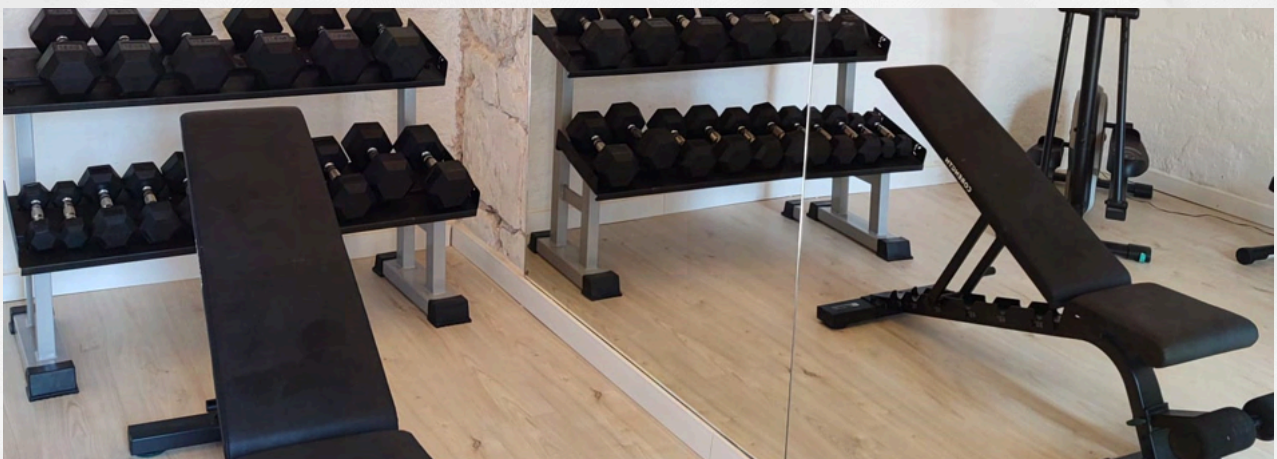

Outdoors

Taking care of the outdoors is a part of our day by day.

House is located indicating East and West. It means many hours of sun every day.

In every corner of the Finca you can find cozy places like BBQ area, pool, solarium, animals place, gardens, Sa Clastra (patio), chill out area and gym.

The background is a soft, out-of-focus bokeh of light beige and cream-colored circles. Three small, white, four-pointed star icons are positioned around the main text: one to the upper right, one to the lower left, and one to the lower right.
