

Villa i Gigli

EVENT LOCATION

Barberino di Mugello - Firenze

A magic place, made to live strong emotions.

DESCRIPTION

The location is surrounded by pristine nature, just a short distance from the town.

Thanks to its location, it enjoys a stunning view overlooking the entire Mugello Valley. Located at 750 meters above sea level, it enjoys an optimal climate.

The "Autostrada del Sole" motorway is just a ten-minute drive away, allowing for quick travel from major cities such as Florence, Bologna, Prato, and Pistoia.

STRUCTURE - EXTERIOR

The venue offers multiple terraces, all very spacious.

The "panoramic" one allows you to admire the stunning panorama.

The classic flooring allows for unique and unforgettable social moments.

A terrace you'll never forget, framed by the building behind it and the surrounding woods.

The "Party Terrace" takes its name from the structure that allows you to dance with its sound system and lights like a real ballroom.

It is the highest terrace of all, featuring a large, smooth stone surface that's perfect for heel-safe activities.

It can also host aperitifs or various types of entertainment.

It is well shaded thanks to the chestnut trees that provide a natural, ventilated roof, a feature much appreciated in the summer.

Here too, nature is present in all its luxuriant beauty.

The "Lion Terrace," named after the fountain with a lion's head, is the first terrace you encounter upon arriving from the entrance driveway.

The paving is suitable for vehicles and allows for aperitifs or various types of entertainment.

It provides access to the main building, the first floor, the "Panoramic Terrace," and the "Party Terrace."

Here, too, nature is prominently present, in all its beauty.

STRUCTURE - INTERIOR

The main building is divided into two levels.

On the ground floor, there is a large living room with its own bathroom and a kitchen, ideal for catering.

On the first floor, there's a large living room with a huge fireplace and two more bathrooms.

There's also a two-room suite with a fireplace, perfect for wedding couples.

DEPANDANCE

Adjacent to the main building is an annex with a space suitable for catering or other suppliers. It also features a wood-fired oven for baking bread and pizzas.

PARK

Surrounding the terraces near the main building is a park of woods and meadows. At night, it is illuminated from below, providing a spectacle within a spectacle.
